People in Jefferson County are struggling to meet their most basic needs due to economic hardships created by inflation, exorbitant day-to-day expenses, and a lack of living wage jobs.

- Working families with escalating rent/ mortgage cannot afford childcare.
- Seniors facing rising healthcare costs go without nutritious food.
- Young people lacking opportunity experience feelings of isolation and depression.

Unaddressed, these challenges can compound and amplify, but this community has a superpower:

GENEROSITY!

Jefferson County has a strong landscape of local nonprofits and people dedicated to providing critical programs and safety-net services.

Donations to Give Jefferson ensure neighbors in need have access to food, shelter, healthcare, education, advocacy, and more.

Together with United Good Neighbors, donors - **LIKE YOU** - offer hope and the reassurance that ours is a caring and compassionate community where all can thrive!
