

Give Jefferson

Create a Workplace Culture of Caring

Supporting United Good Neighbors through **workplace giving** shows your clients, customers and employees that **yours is a business that cares** about the health of our community.

Local individuals and families are struggling to meet their most basic needs due to economic hardships created by inflation and exorbitant cost of living expenses.

Unaddressed, these challenges will compound but **local businesses – LIKE YOURS –** can lead by example and **inspire a culture of generosity** that ensures that Jefferson County is a community where all can thrive!

Donations to United Good Neighbors' Give Jefferson **support 30+ local nonprofits** providing food, shelter, healthcare, education, advocacy and more!

Business donations are honored and highlighted throughout the campaign in print advertising, media and online promotions.

UNITED GOOD NEIGHBORS

Ways to Give

Host a **Workplace Giving Campaign** and empower your employees to donate through payroll deductions.

- A one-time or recurring monthly gift can be easily deducted from employee accounts, allowing your staff to set their individual giving goals.
- UGN works directly with your payroll manager to ensure setup is easy and efficient.
- Employees are automatically mailed a record of their donation for tax deductions.

Set a **Workplace Giving Goal**. Commit to “matching” the total amount raised by employees. Or challenge your staff to cumulatively match a base donation.

- By setting a Giving Goal you incorporate a spirit of generosity and caring into your workplace culture.
- Employer match programs allow you to amplify the charitable giving of your staff.

Become a **Business Sponsor** by making a one-time gift on behalf of your workplace and join UGN’s 65-year history of championing local nonprofits.

- Give back. Give local. Ensure that vulnerable individuals and families have access to critical programs and safety-net services.

Generous local businesses - **LIKE YOURS** - ensure our neighbors in need have access to food, shelter, healthcare, education, advocacy and more!
